Thurvalley Brown Swiss, home of some really great Brown Swiss Cows! We are breeding for Production, Type and Longevity.
All pasture feeding, 200 cows (mainly Holstein-Friesian) on 72 ha effective dairy platform and 34 ha run off.

This year's calves by Shebang, TD, Agenda, Wonderment and Dally are looking promising.

Semen for sale by: Thurvalley WM Rocky (Wonderment x Greenridge Mascot Rosa, photo bottom right)

Visitors always welcome
